RESOLUTION

No. 8020 / Coop. Date: 12.07.2023  
COOP-CR3-CRINS-0002-2021

**Sub: Pradhan Mantri Fasal Bima Yojana (PMFBY) - Implementation during Kharif 2023 Crop Season**

As per Revamped Operational Guidelines of Pradhan Mantri Fasal Bima Yojana (PMFBY) and approval of the State Level Coordination Committee on Crop Insurance (SLCCCI), the State Government have been pleased to implement PMFBY during Kharif-2023 Crop Season in the State.

1. Administrative Approval of Government of India, Ministry of Agriculture & Farmers Welfare for implementation of PMFBY has been communicated in their letter No. 13015/02/2015-Credit-II Dated 28<sup>th</sup> February, 2020 and Advisory Letter No. 11019/01/2022-Cr-II (FTS : 111875) Dated 3<sup>rd</sup> April, 2023.

**2. Coverage of Farmers**

All farmers including share croppers and tenant farmers growing the notified crops in the notified areas are eligible for coverage. However, farmers should have insurable interest for the notified/ insured crops. The non-loanee farmers are required to submit necessary documentary evidence of land records prevailing in the State i.e. Records of Right (RoR), Land Possession Certificate (LPC) etc. and/ or applicable contract/agreement details/ other documents notified/ permitted by State Government.

The "Self-Declaration Certificate" shall be treated as the substitute of "Sowing Certificate" for non-loanee farmers.

**i. Farmers availing the Kisan Credit Card/ Crop loan /Loanee farmers**

The scheme is optional both for loanee and Non-loanee farmers.

a) The scheme is optional for all farmers including farmers who have been sanctioned Short Term Seasonal Agricultural Operations (SAO) loans / Kisan Credit Cards (KCC) for the notified crops from financial institutions (here in after referred to as loanee farmers).

b) Farmer whose KCC/ crop loan has become sub-standard as defined and as per prevailing practices of the concerned Banks/Govt. regulator shall not be considered as a

loanee farmer. However, bank branches may facilitate such farmers for enrolment as non-loanee farmers.

c) Merely, sanctioning of crop loan against other collateral securities including fixed deposits, gold/jewel loans, mortgage loans etc. without having insurable interest of the farmer on the insurable land and notified crops shall not be covered under the Scheme.

## ii. Non-loanee Farmers.

a) The Scheme is optional for all farmers including Non-loanee farmers.

b) The insurance coverage will strictly be equivalent to Scale of finance/ha, as defined in the Govt. notification or/ and on National Crop Insurance Portal multiplied by proposed sown area for notified crop for enrolment.

c) Special efforts shall be made to ensure maximum coverage of SC/ ST/ Women, Small & Marginal farmers under the scheme. Panchayat Raj Institutions (PRIs) may be involved in extension and awareness creation amongst farmers and obtaining feed-back of farmers about implementation of the Scheme.

d) The Insurance companies will maintain separate data of such non-loanee farmers covered by them and enter the said data on the portal as per seasonality discipline. They shall be liable for payment of claims to such farmers.

e) The Insurance Companies should communicate to Banks/CSC/ Insurance agents about the additional documents required, if any for enrolment of **sharecroppers** along with the consent form in the prescribed format at Annexure-I.

f) The insurance companies should strictly adhere to the timeline while accepting/rejecting the farmers as mentioned in seasonality discipline. **All rejection of applications must be done in consultation with district administration.**

g) Existing loanee farmers can opt-out from the scheme by submitting requisite declaration to concerned bank branches any time during the year but at least by 7 days prior to the cut-off date for enrolment of farmers for the respective seasons. All those farmers who do not submit the declarations within due time line would be essentially covered. Bank branches shall also be required to maintain proper records of farmer declaration.

All farmers who approached banks for renewal/ fresh issue of Kisan Credit Cards (KCC) shall be asked by the respective bank branches to convey their willingness to

participate in the scheme and will be enrolled accordingly by the concerned bank branches on National Crop Insurance Portal.

iii. **Aadhaar** has been made mandatory for availing Crop insurance. Therefore, all Enrolment Agencies are advised to mandatorily obtain Aadhaar number of their farmers.

Farmers not having Aadhaar ID may also enroll under PMFBY subject to their enrolment for Aadhaar and submission of proof of such enrolment as per Notification No.334 dt 8<sup>th</sup> February, 2017 issued by GOI under Section 7 of Aadhaar Act 2016 (Targeted Delivery of Financial and other Subsidies, Benefits and Services). Copy of the notification may be perused on [www.pmfby.gov.in](http://www.pmfby.gov.in). This may be subject to further directions issued by Govt. of India.

All banks have to compulsorily take Aadhaar/ Aadhaar enrolment number as per notification under Aadhaar Act before sanction of crop loan/KCC. Hence, the coverage of loanee farmers without Aadhaar does not arise and such accounts need to be reviewed by the concerned bank branch regularly.

**3. Clusters and Implementing Agencies:** On the basis of the recommendations of the National Remote Sensing Centre (NRSC), Hyderabad, 30 districts of the State have been grouped into six clusters for implementation of PMFBY during the year 2023-24 based on risk index and area coverage. Four Insurance Companies have been selected for the six clusters through a competitive bidding process on the basis of weighted average premium to implement PMFBY during the year 2023-24 in the State as indicated below:

#### Clusters and Insurance Companies allotted for Kharif-2023

#### 4. Coverage of Risks

The following stages of the crop risks leading to crop loss shall be covered under the Scheme.

- I. **Basic cover:** The basic cover under the scheme covers the risk of loss of yield to standing crop ((Sowing to Harvesting). This comprehensive risk insurance shall be provided to cover yield losses on the area based approach due to non-preventable risks, viz. Drought, Dry spells, Flood, Inundation, widespread Pests and Disease attack, Landslides, Fire due to Lightening, Storm, Hailstorm and Cyclone. (Section 5.1 of Revamped OG of PMFBY)

- II. **Add-on coverage:**

- a) **Prevented Sowing/Planting/ Germination Risk**

Insurance coverage will be provide to farmers in case of widespread incidence of eligible risks (insured area is prevented from sowing/planting/germination due to deficit rainfall or adverse seasonal/ climatic conditions) affecting crops in more than 75% of area sown in a notified unit at early stage of sowing which is up to 30 days from the Start of Sowing but not later than 15 days from cut-off date for enrolment, leading to total loss of crop or the farmers are not in a position to either sow or transplant the crop. (Section 5.2.1 & Section 21.3.1 of Revamped OG of PMFBY)

- b) **Mid-Season Adversity**

Insurance cover will be provided to the farmers to provide immediate relief in case of adverse seasonal conditions during the crop season viz. floods, prolonged dry spells, severe drought etc., wherein expected yield during the season is likely to be less than 50% of **Normal yield** (Simple average of immediately preceding seven normal seasons). However, if adversity occurs within 1 month of the start of normal sowing and within 15 days before the normal harvest time, this provision will not be invoked. (Section 5.2.2 & Section 21.4.1 of Revamped OG of PMFBY)

- c) **Localized Calamities**

Loss/damage to notified insured crops resulting from occurrence of localized risk of hailstorm, landslide, inundation, cloud burst and natural fire due to

lightening effecting isolated farmers in the notified area (Section 5.2.4 & Section 21.5 of Revamped OG of PMFBY)

**d) Post-Harvest Losses**

Coverage shall be available only up to maximum period of two weeks (14 days) from harvesting, for those crops which are required to be dried in cut and spread / small bundled condition in the field after harvesting against specific perils of Hailstorm, Cyclone, Cyclonic rains and unseasonal rains. (Section 5.2.3 & Section 21.6 of Revamped OG of PMFBY)

5. For coverage of all risks and loss assessment Section 21 of Revamped Operational Guidelines of PMFBY shall be final.

6. The rainfall data will be obtained from Manual Rain Gauges of SRC (**Annexure-II**).

7. **General Exclusions**-Losses arising out of war and nuclear risks, malicious damage and other preventable risk shall be excluded.

**8. Indemnity level**

The indemnity level for all insured crops will be 70%.

9. **Calculation of Threshold Yield**- Threshold Yield (TY) shall be calculated on fixed methodology basis and will be notified separately.

**10. Sum Insured /Coverage Limit**

Sum Insured per hectare of notified crop under PMFBY for farmers is as per the Scale of Finance (SoF) per acre notified for the year 2023-24 vide Cooperation Department Notification No. 6707, dated 05.06.2023 (except cotton crop) & Modified Notification No 7263, Dated 21.06.2023 for Cotton crop are annexed at **Annexure-III(A) and III(B)** respectively.

The District-wise, Crop-wise Sum Insured limit in Rs./hectare for **Kharif-2023** is annexed at (**Annexure-IV**).

**11. Activities for Kharif 2023**

**(i) Crops to be covered under PMFBY during Kharif 2023**

If the cut-off dates fall on public holidays or is declared as public holiday by the Government or there is disruption of service due to strikes /shut down etc., the next working day shall be treated as the cut-off date.

## 12. Premium Rates and Premium Subsidy

The Actuarial Premium Rate (APR) would be charged under PMFBY by Implementing Agency (IA). The District wise, crop wise Actuarial rate of premium and farmers' rate of premium for Kharif-2023 is placed at **Annexure-VI**.

The farmers' share of premium up to 2.00 hectares per farmer will be borne by State Govt. However, a token money of Rs. 1.00 per application is to be collected from farmers for validating the enrollment.

**In case of individual farmer (loanee and non-loanee) who is enrolling for more than 2.00 hectares, standard rate of farmer's premium for notified crops shall be paid by the enrolled farmer for the excess area over and above 2.00 hectares.**

Difference between actuarial premium and farmers' premium will be subsidized by State Government and Government of India on 50:50 basis.

**13. Crop Yield Estimation:** Smart Sampling Technique (SST) for identification of plots for conduct of Crop Cutting Experiments (CCE) will be adopted in case of paddy and for other crops conventional method of sampling as done under GCES will be followed. In case of adversities, if smart sampling method fails in some areas CCEs will be conducted on the basis of conventional sampling method.

In order to ensure proper conduct of CCE for correct estimation of crop production, the protocol for monitoring the conduct of the CCEs communicated vide letter no. 36702/ Agril. Dt. 01.11.2022 of Department of Agriculture & FE shall be strictly adhered to.

For final yield estimation of Paddy, the yield data obtained through **Crop Cutting Experiments (CCE) and Crop Health Factor (CHF)** shall both be used in the **weightage ratio of 70:30** adhering to the protocols of YES-TECH manual of Govt. of India.

For implementation of Technology based yield estimation i.e. CHF, Odisha Space Applications Centre (**ORSAC**) will be the Technology Implementing Partner (**TIP**) and National Remote Sensing Centre (**NRSC**) will act as Mentor Institute for Technology Rollout (**MITR**) agency for Odisha. The detail Protocols of the Parametric Index of Crop Performance i.e. Crop Health Factor (CHF) will be issued separately as per the relevant guidelines & specifications issued by DA&FW, GoI in this regard.

**14. Publicity:** Awareness generation programmes shall be taken up to sensitize the farmers about the various features of the programme. The Implementing Agencies are required to make publicity campaigns adhering to the norms mentioned in the Revamped Operational Guideline of PMFBY.

15. The Department of Agriculture & Farmers' Empowerment, Directorate of Economics & Statistics (Planning & Convergence Department) and Cooperation Department, Government of Odisha should share all the available information with regard to crop area, yield and insurance payouts made with the insurance companies.
16. The insurance companies should strictly discharge their role and responsibilities as specified in the Revamped Operational Guidelines of PMFBY & advisory letter Dt. 3.4.2023 issued by Govt. of India & instructions issued by State Govt. & Govt. of India from time to time.
17. The Revamped Operational Guidelines of PMFBY in existence, the preliminary summarized version/advisory of the next revision to the guidelines communicated by GOI on 3<sup>rd</sup> April, 2023 and all amendments to the existing operational guidelines of PMFBY and Guidelines of other technology interventions to be released by DA&FW, GoI in future shall be unconditionally binding on all concerned.
18. **Krushak Odisha portal data shall be used for post-enrollment validation of farmer applications, where ever necessary, by the Insurance Companies.**
19. **All applications of non-loanee farmers enrolled for more than two hectare of land may be verified by the concerned Insurance Company within 3 working days of enrollment.**
20. In case of any complain by the farmer relating to insurance coverage on his land by unauthorized person, the same should be verified by the Insurance Company within 2 working days and brought to the notice of District Administration for final decision in the matter.
21. CCEs should be done continuously as per harvest window in each district without awaiting for the last date and data should be processed district wise for assessment of claims to provide crop insurance benefit to farmers early.
22. The principle mentioned in Section 18.4.6 of the Revamped Operational guidelines of PMFBY shall be adopted in the orders mentioned below for resolving Yield/CCE disputes:-
- i) Adopting the yield estimates of neighboring IU with maximum correlation.

ii) Adopting yield estimates of next higher unit.

23. Dispute Redressal: Any dispute regarding CCEs should be reported to DLMC within 24 hours of occurrence of CCEs and should be resolved by DLMC within 3 days. However, only un-resolved cases may be referred to the State Level Technical Committee (SLTC) and then to State Level Technical Advisory Committee (STAC), if required.

24. For sowing & harvesting window of notified crops (Crop Calendar), the Contingent Plan of Agriculture & FE Department may be referred.

25. All Insurance Companies must upload the relevant information in the "ACIM" portal.

Other details can be ascertained from the District Central Cooperative Banks, Branches of Commercial Banks and Regional Rural Banks functioning in different service areas, Common Service Centers and from Regional Offices of the concerned insurance companies.
